iMC

YOUR TRUSTED ADVISORS.

WE ARE A WOMAN-OWNED SMALL BUSINESS WITH “BIG 4” MANAGEMENT CONSULTING EXPERIENCE, AN OPTIMISTIC VISION AND THE SKILL SETS NECESSARY TO DELIVER QUALITY ENGAGEMENTS FOR UTILITIES AND GOVERNMENT ENTITIES.

Our strong suit is transformation.

Let's write ***your*** story.

STRATEGIC ALIGNMENT PLANNING

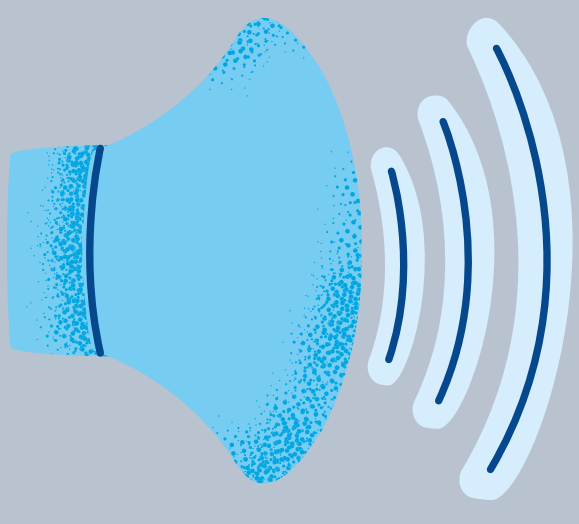
We know your business! Our unique management consulting approach for utilities and government agencies will pair industry standards with recommendations from governing entities to develop right-sized solutions that drive results.

FUTURE WORKFORCE PLANNING

Workforce planning examines the employee lifecycle and determines how to best recruit, optimize, retain, and train employees. We partner with your team to guide you through the development of this plan and industry-specific registered training programs that will allow you to attract & retain GREAT people!

TECHNOLOGY RISK ASSESSMENTS

Our next-level Risk Assessment Process results in a prioritized list of high-level risks, remediation recommendations, and a customized roadmap to get you from where you are to where you need to be.



DIGITAL ENGAGEMENT STRATEGY

Effective communications can be the key to success, both during a crisis and everyday operations. iMC builds communication and digital engagement strategies that position you for efficiency during a crisis and ongoing positive public relations in your community.

WE LISTEN. WE CONSIDER. WE THOUGHTFULLY RESPOND.
